*DAY 1 Board your deluxe motor coach and head to experience the charming atmosphere of Wooster, Ohio, for their renowned summer musical festival in it's 30<sup>th</sup> season. It is remarkable that the Ohio Light Opera has singers and instrumentalists gather from around the country to arrange a seasonal platter of rotation repertory Viennese operettas, Gilbert: & Sullivan shows and classic American musicals. Much closer and much less expensive than Shaw or Stratford.*

*Upon arrival we will pick up our step on guide and head for our tour the J.M. Smucker's Store & Café and have lunch there on our own. We will get a Sundae Bar or Muffin & Coffee and a jar of jelly as part of our tour. After leaving Smucker's, we will proceed to Shisler's Cheese House for sampling and shopping, along with our bag of cheese and trail mix to take along. Next is our stop at Lehman's Hardware where Amish build and manufacture products from the 19<sup>th</sup> century. Lehman's products have been featured in many Hollywood films. After checking in at the Hilton Garden Inn, we will have time to freshen up before we proceed to the Historic Wooster Inn for a private dinner, weather permitting we will dine on the outdoor patio.*

*DAY 2 Start your day with a hot included breakfast. The morning is free. After stopping for lunch on you own at T.J.'s Restaurant, we will then depart for the afternoon performance of FIDDLER ON THE ROOF. Following the Theater will be time to go back to the hotel to freshen up for our AMISH DOOR dinner and then on to our performance of A NIGHT IN VENICE.*

*DAY 3 After our hot included breakfast, we will be going to the RUBBERMAID STORE for our tour and have time for shopping and lunch before we go to our final performance of the trip, HMS PINAFORE. After the show we will head back to Michigan with a stop for dinner on our own*
